Jaunpur, U.P

Education:

Bachelor of Technology (2016) in Computer Science & Engineering from ABES Engineering College, Ghaziabad

Relevant Experience:

I have completed the freecodecamp frontend development certification course in HTML/CSS/jQuery, and also have decent programming knowledge in C++ and Python.

As part of that course, I have coded some frontend applications that can be found on my codepen.io profile here: https://codepen.io/childoffire/

Also, I have written many Python scripts for automating daily tasks that can be found here:
